### APPLICATION FOR MEMBERSHIP

Dear Sir / Madam

Thank you for your enquiry to join our Motorcycle Club. We are actually two Clubs in one, Reigate & Redhill North Downs Motor Club was founded in 1935 and is affiliated to the ACU ( Auto Cycle Union). In 1993 the Reigate & Redhill North Downs Motorcycle Club was founded and is affiliated to the AMCA (Amateur Motor Cycle Association), it was necessary to form a second Club as one Club cannot affiliate to both organisations and we wanted to run our Club trials under the AMCA but also remain associated to the ACU to give our members a wide choice of events to ride in. We are also affiliated to the BMF (British Motorcycle Federation) through the AMCA Club. Although the main interest is now Motorcycle Trials we still welcome all motorcyclists as members, many of our members also have road bikes and a wide interest in motorcycling.

The Club runs monthly trials (under the AMCA) on Sundays and also evening trials during the summer. At Club trials we normally lay out 8 sections run over 5 laps with a break after two and have 4/5 routes: White, hard sections aimed at good experienced riders on modern machines.

Blue, challenging but not too hard sections, this is the most popular route catering for the older machines.

Red, easier than the blue route catering for Pre67 machines and the less experienced riders. Yellow for beginners and young riders on small bikes (note we do not always run a yellow route)

We also have a Novice/Inter route which consists of four Blue sections and four White sections which is used as a stepping stone for those wishing to move upto the White route.

We run several championships: Expert, Inter, Novice/Inter, Over 40, Under 16, Twinshock, Pre67 and Handicap. Under AMCA helmets are optional but strongly recommended, as a Club we do insist that Under 16 riders wear gloves and helmet.

We recommend that if you are a total newcomer to the sport that you spectate at one of our Club Trials before entering so as to get an idea of how the events are run. You will be most welcome to do this before actually joining and members will be more than willing to explain anything you do not understand.

The ACU Club is a member of Star Group and the AMCA Club is a member of South Coast Group, both are a group of clubs that take it in turn to run a trial on the second Sunday of each month and compete for Club and individual championships. Upon becoming a member of our Club you will be able to enter these events and any other Open to Centre event being run, but you will require The Sporting Motorcyclist magazine for entry forms and details of ACU events. You will also be required to affiliate to the ACU before you can enter events (cost £10 per year, forms available on ACU web site, [www.acu.org.uk](http://www.acu.org.uk)).

In addition to Club trials we also run a Star Group Trial, a South Coast Trial and a National Pre67 Trial where members are expected to come and help with at least one of these events. We also have various Social events including a Fun Camping Weekend over August Bank Holiday weekend and Road Runs in the summer. The Club produces its own Monthly Newsletter giving details and reports of its own events and meets socially once a month.

If you would like any further information about the Club please do not hesitate to ask.
