

## A message to all RRND members.

I am sure it won't have escaped your notice that increasingly Facebook and Whatsapp are the means of communication for most Government departments and major organisations!

In many ways RRND has followed the same path and we try to balance that with updates on the website for those that would rather not or cannot use Facebook.

As we approach the most important date in our calendar- the AGM and prize giving- I felt that an email circulation would be the most appropriate way to invite members to attend. In case you have missed it this is what it said-

This year our AGM takes place on Thursday March 14th 2024 at the Cellar Room, The Red Lion PH Betchworth. The meeting will commence at 1900. We are able to offer you food and drink and formalities will be kept to a minimum.

As in previous years our menu choice is kept simple. It's Chilli con carne with chips and/or rice and there is a veggie version this year following last year's omission (although the pub were quick to address this). First drinks are on us and the food will be served quite promptly. If you are able to please use the tally on Facebook to indicate you are coming and your food choice. If you are unable to do so please e-mail me at [diccles221@gmail.com](mailto:diccles221@gmail.com).

The committee remains the same with the exception of Start Haysom who has decided to stand down. Stuart has done a great job as Competition Secretary and our thanks go to him. I have one nomination for the committee in Stuart's place but we are always happy to have further nominations- there is a minimum size but not a maximum size! If you have any nominations please email me at [diccles221@gmail.com](mailto:diccles221@gmail.com) - please confirm that the nominee is willing to join the committee first!

If you have any matter to be brought up at the AGM this should be sent to me in writing (email will suffice or by post to 24, Braes Mead, South Nutfield, Surry, RH1 4JR). This must reach me by 7th March 2024.

Safe riding.

Richard Coles, Hon. Chairman.
