

## **MINUTES OF RRND COMMITTEE MEETING HELD ON 7th April 2010**

### **Present**

Dave Charman, Eric Clarke, Richard Coles, Carol Dark, Debbie Don, Rob Edwards, Danny Haste, Pete Jenkins, Stuart Read.

### **Apologies for Absence**

Malcolm Coles, Jo Jenkins.

### **Minutes of Last Meeting**

Circulated by e-mail and approved.

### **Matters Arising**

**DC** will confirm to rbsport that the club is having a stand in Priory Park on 2<sup>nd</sup> May. Dave will take along 3 bikes and hold a balancing competition. Making use of the gazebo there will be a film show of trials riding providing **DH** can provide a generator. Rob has produced a club flyer handout. **Can anyone else help?**

We need to make sure that all riders know how many laps there are at club trials now that the new cards have provision for 5 laps.

The new Youth Trial discussed at the last meeting will now be arranged for 2011 as realistically there is not enough time to arrange it for this year as we already have the extra club anniversary trials weekend at Ockley.

### **Secretary's Report**

Carol has sent a selection of photos to Ian Lamont from the Surrey Mirror to go with the feature he is writing following the trial at Blacklands Farm. It will appear in the paper when they have space.

### **Treasurer's Report**

Jo has been approached about the hire of toilets for the Aug camping weekend. It has been agreed that 4 are enough so **JJ** can go ahead and make the booking.

### **Editor's Report**

Debbie thanked everyone for their articles for this month. Mark Stubberfield was pleased to read everyone's good wishes for the SSDT and promised to write an article on his return.

### **Membership Secretary's Report**

Membership now stands at 92. Rob has produced an up-dated graph showing membership trends.

### **Competition Secretary's Report**

Eric advised that charges for Betchworth have now gone up to £250 for up to 40 riders and £5 thereafter for club trials and £6 for group trials. Plus a compulsory £20 for the toilet!!

**RC** will now pursue other venues.

Permits from the AMCA will be sent to Carol as her address is held by them for the club. **CD** must let Eric know when they are received.

### **Social Secretary**

Richard thanked Jo and Pete for organising the social event which only the usual people attended. Does anyone have any ideas for next year?

### **Training Trials**

Richard is unable to do the 18<sup>th</sup> April. Rob will possibly organise this or we may have to ask another club member to help out.

### **Any Other Business**

Having just returned from a very successful 24 hour trial in the West Country with Pete, **DH** is to write an article for the next newsletter.

The Star Group Trial will be 12<sup>th</sup> December this year. **CD** to apply for ACU permit and arrange for entry in TSM.

Following Stuart's suggestion **CD** will e-mail the Surrey Mirror and ask for the article to include that the club is having a stand at the rbsport 'Festival of Sport' on 2<sup>nd</sup> May.

**RC** please send training trial dates to Eric so he can arrange permits.

**RC** also ask Bruce to put club nights on the website.

### **Date of Next Meeting**

Wednesday 5th May 2010 at the Home Cottage, Redstone Hill, Redhill.
