Matters Arising

In the absence of Richard the meeting was chaired by Debbie.

RC is still to do a mailing for the Ockley camping weekend but will for now put a piece in the newsletter and **PJ** will contact James Fry re the training at this event.

We will need to decide by next month on the entertainment for the Aug camping. Stuart suggested 'Frog Racing' including betting with Sing Star on a TV screen running in between races. This went down well so **SR** will look into making the frogs, to be painted by people on the day. Also we need to decide if we are going to run a proper trial on the Monday and if the fun section on the field should go ahead.

Secretary's Report

Carol had a call from Roger Abbott of Talmag Club asking if we would like to combine our Old Codgers Trial with their sidecar trial at Hungry Hill on 31 Oct. **CD** will go back to them to find out exactly they will require of us and the type of bikes it is open to first, as our commitments are already quite heavy this year.

Treasurer's Report

Current account £855.81 and Tracker account £12,643.75

Pete read out Jo's report which queried payment for the land at Faygate. It seems that this is yet to be paid to Bob Collins and **PJ** will check this out. Also Jo has been unable to balance the club trial takings with the signing on sheets and it may be necessary to set up a new system for this. **JJ** to advise on this.

Editor's Report

Debbie is unable to complete the newsletter due to lack of articles so will delay this until 6 June, this month.

Membership Secretary's Report

7 new members: 4 adults and 3 children, bringing the number up to 104.

Competition Secretary's Report

Nothing to report.

Social Secretary

Nothing to report.

Training Trials

Nothing to report.

Any Other Business

First evening barbecue trial is on 16 June. **PJ** will check out barbecue situation as we may need to buy a replacement. **CD** will talk with Jo about food. After estimating numbers and making rough calculations it was agreed we should charge £10 for adults and £6 for juniors to cover our costs. Burgers etc will be £1

Next club trial is at Hookwoods and **DD** will print the entry forms which have the increased entry fee for non-members at this venue. Pete, Pat, Danny and Keith will be away. Darks and Dons are setting out. Should we advertise trial on Trials Central?

Date of Next Meeting

Wednesday **30th June 2010** at the Home Cottage, Redstone Hill, Redhill.
