## Membership Renewal

Apologies to those of you who have already renewed your Club membership - there are a lot of 2011 members who have yet to renew. Please note that those who have not renewed have now been taken off the mailing list, and will not receive any further communications or reminders.

To those who have renewed, don't forget to bring your membership card to Club trials - without it, you will be charged as a guest rider - it is not up to the person signing on to find out whether or not you have renewed your membership, it is your responsibility to prove it!

## Club Trial this weekend

A reminder that the February Club trial is on Sunday 26th February at Blacklands Farm. Looks like the weather will be good, so looking forward to a good turn out!

If you have not yet renewed your membership, forms will be available.

Please try and bring the correct money along for both the trial and for any membership renewal, as this makes things a little easier for the person signing on.
