### **Competition Secretary's Report**

Not present but Colin spoke with Carol about practising at Beare Gill following an enquiry about weekday use. He, having already discussed this with Richard and following further discussion during the meeting it was decided that out of courtesy to the neighbours this would not be allowed. Furthermore there would be no practising after 5pm for the same reason.

Colin felt the last club trial was good, although maybe a bit easy but there was also a good turnout.

### **Social/Camping Weekend**

Mike has sent out an email to members which will also go on the website when Bruce is back from holiday. We are now having the same hog roast as last year which will cater for up to 125 people. There will be a trial on the Saturday and if anyone wants to go to the Wings and Wheels Show there is a 10% discount for groups of 10.
